

Michif Lii Biins

Each player receives 15 lii biins (*beans*)

How to play

1. Pick a number between 1–15 **lii biins** and hide them in your hand.
2. Walk around and approach the other players. They will also have **lii biins** hidden in their hand.
Ask other players:

Tanimayikohk lii biins kitayayen?

How many beans do you have?

3. Your opponents will answer:

Tanish aen itayhtamun?

What do you think?

4. Guess how many they have!

1 – Henn
2 – Deu
3 – Trwaa
4 – Kaatr

5 – Saenk
6 – Sis
7 – Set
8 – Wit

9 – Neuf
10 – Jhis
11 – Oonz
12 – Dooz

13 – Trayz
14 – Kaatorz
15 – Kaynz

5. They will tell you if you were correct or not by answering:

Wii! Ootina oohin!

Yes! Take them!

OR

Namooya! Miiyin tii biins!

No! Give me your beans!

6. The player with most **lii biins** after 15 minutes of game play wins!
