This project was completed by Abbie Shynkaruk, Calla Smart, and Geneva Tait in collaboration with the Early Learning and Child Care (ELCC) team, the Culture and Heritage team, and Learning Support Specialist (LSS) Kara Petterson. We are sincerely grateful to everyone who shared their time, knowledge, guidance, and encouragement throughout this journey. This was a significant undertaking, and your belief in our vision helped make it possible.

We extend our heartfelt thanks to Elder Rita Ducharme for her guidance with Heritage Michif translations and pronunciation, and to Louise Oelke for her support with Northern Michif translations and pronunciation. Your expertise and dedication were invaluable to the success of this project.

We would also like to thank our videographers –All My Relations Photography, Alex Powalinsky, and Lisa Hall, for helping bring this project to life. Your creativity and commitment have made these resources engaging and accessible for future learners.

A special thank you to Kelsey Morris for creating the beautiful emotion illustrations featured throughout this resource. Your artwork has added warmth, creativity, and meaning to these flashcards, helping make them both engaging and welcoming for young learners.

Our sincere appreciation goes to BabySignLanguage.com for generously granting permission to use photographs of their signs as part of this resource.

Finally, we would like to thank everyone who contributed to and believed in this project. Your support has helped create a resource that will benefit Métis children, families, educators, and communities for years to come. We hope these flashcards inspire language learning, strengthen cultural connections, and support the revitalization of Michif for future generations.
